

Homework 1

The old man says remember, when using the man command
StrangeTrinket: It looks like a crystal of some sort. It's very beautiful.
There are "many" thorns on the thornybramble

Regex Exercise:

```
\d files? found\?
```

Grep Exercise:

```
grep xval example.dat | gawk '{print$3, $6}' | sed 's/,//g' >>output.txt
```

```
5.88 0.25
